

Some of our children come to school with their breakfast in hand. We really appreciate it if it is as disposable as possible. We will happily help/serve the children up until 8:00 a.m. At that time, we transition outside for an hour. For safety reasons, we cannot have some children away from the main group eating at the tables. If your child is going to be arriving at school between 8 and 9 a.m., please have them eat breakfast at home. We will serve morning snack at 9:15 a.m. to help prevent rumbly tummies.
